Legal Staff

STATINTL

1. The form #1036 should carry some statutory reference in addition to the explanation "sole source of supply."

FOIAB5

[redacted] FOIAB5

STATINTL

2. The three clauses appended to the contract by [redacted] as attachments "A," "B," and "C" are apparently incorporated as part of the contract. Paragraph 21 of the contract includes attachment "A" but attachments "B," and "C" are not noted. Would you please clarify this point?
